Callaghan Coming to a Close

Construction in the wonderful Callaghan neighbourhood is coming to a close. Callaghan is currently in its last stage of development, with only a limited number of single family homes and townhomes remaining. The development that started over five years ago has seen the construction of beautiful walking trails and a variety of home styles creating a dynamic neighbourhood perfect for anybody in any stage of life – from first time home buyers to expanding families and downsizers.

Inside Callaghan, the last custom single family homes are available from three distinguished [home builders](#); Art Custom Homes, D’Cor Homes, and White Eagle Homes. Move in right away with immediate possessions available or take your time and build your custom home. Rohit Communities is building townhomes, with floor plans starting at 1042 sq ft and starting from the \$260,000’s.

With construction coming to an end, don’t miss your chance to become a part of this incredible community. Visit a single family showhome on Cunningham Drive and Connelly Way or check out the townhomes at 1778 Cunningham Way SW.
